## Heart and Soul of Egypt

## Pyramid Energy Retreat

Initiated by **Cristina Teot** organized by **Akram Farouk**

**7 days, 28 March -3 April / 6 - 12 Nov 2021**

Do you wish to accelerate your spiritual journey? Are you willing to get involved in mystical and magical experiences? To receive universal love and transforming frequencies from the Heart and Soul of ancient Egypt?

During this 7-day retreat around the pyramids and the Sphinx you will experience the literally multidimensional land of Egypt. We “make a pilgrimage” to Saqqara and dive into the underground Serapeum. Spend time on the Giza Plateau around the pyramids to feel its powers. And as a highlight we will have one night in the **Faiyum Oasis**.

We will have time to talk about our multidimensional experiences, our perceptions and experiences, to exchange ideas and thus to gain more trust in our own intuition. Every single place we visit holds the potential of inner activation and enhancement of your spiritual, mental strength, perception and multidimensionality.

**Day One** of our Pyramid Energy Retreat begins with the individual arrival to Cairo. At 4 pm Cristina Teot and Akram Farouk, Tour Manager and his **Travel Team** will officially welcome you at the [Desert Moon Cairo Boutique Hotel](https://desertmoon.love)<sup>1</sup>.

On the morning of the **second day**, we drive to Saqqara to feel the extraordinary healing frequencies of the ancient complex around the Step Pyramid. Near the Sakkara complex, surrounded by desert, we go underground to feel the indescribable energy of the **Serapeum** and its many 70-ton sarcophagi. After lunch we will go to the nearby Dashur, to the Bent and to the Red Pyramids.

## Heart and Soul of Egypt

**Third day** is dedicated the **Giza Plateau, the Sphinx and the Pyramids**. We will explore and feel the grounds around the three pyramids. Meeting the Sphinx eye to eye is kind of a special moment. Later we visit an essential oil and perfume producer and healer that will enwrap us with fragrances.

Our **forth day** we visit old Cairo aka Coptic Cairo with its magnificent churches and the oldest Egyptian Mosque A'mr ibn Al-A'as. Strolling through the **Bazar Khan el Kalili** and its colourful shops will round up our day.

**Day five** we will travel to the FAIYOUM Oasis, the biggest in Egypt. Where we will spend one night. Depending on the actual government rules, we may even be able to spend the night in the Desert. If not, we will stay at a hotel near the desert.

**Day six** we head back to Giza to our lovely hotel where we can relax. Maybe we can spontaneously decide to go out, do some last-minute shopping. We officially end the retreat with a farewell dinner and party.

**Day seven** Individual departures day.

If you wish to stay a few days longer, let us know in time so we can assist you with accommodation and transfers.

## Heart and Soul of Egypt

### Who are we?

Cristina is a Psychic Medium and the multidimensional moderator and initiator of this journey. She herself experienced a transformative group trip through the Heart and the Soul of Egypt. Cristina fell in love with ancient and modern Egypt, with its literal multidimensionality, the power and vibrations of the land, the warmth and hospitality of the Egyptians. Within days of returning home, she contacted Akram Farouk and decided to share and offer her unforgettable and transforming travel experiences with others by facilitating such journeys. **Since her first visit to Egypt in October 2018, Cristina visited Egypt in December 18 for 5 days, in February 19 for 15 days, in November 19 for 21 days and lived in Giza from January till March 2020 in nearest proximity of the Pyramids.**

With **Akram Farouk, Tour Manager** we can be sure that everything will be taken care of. All transport, accommodation, food and water, temple entries and further logistical, organizational matters will be handled. He is warm hearted, very experienced, and professional in guiding **spiritual groups through his Egypt**. He is a magician in navigating us through the sometime huge temple sites, making sure we are guarded and getting the space we need to feel the energies. His presence, even from a far, always gives reassurance, makes us feel safe.

An **Egyptologist**, on the other hand, will be guiding us through the history of ancient and modern Egypt with his expertise and profound knowledge. His experience and love in guiding people on spiritual journeys through his homeland, sharing his insights is precious and will support us in understanding the many mystical and magical places we will visit.

And in the background is the operations team, whom skillfully and with much love manage operational and administrative matters. **As participants, we can fully relax and enjoy the extraordinary and life-changing journey.**

### Useful information

Individual time and space to feel and integrate the experiences are planned daily. We call it "**Feel Egypt Time**", where you allow yourself to integrate and activate the energy through all of your subtle and multidimensional bodies. Energetically, each site will give you exactly what you need for your soul, your heart, your spiritual and multi-dimensional journey as well as for your projects and endeavors. As a group, we meet regularly to meditate and to share our experiences. For Cristina the **sharing** is essential, as it supports the integration and activation. It also reinforces your own awareness and perceptions when listening to someone else's experience. As a Medium, Cristina will offer individual time to each participant on sensitive, mediumistic and multi-dimensional aspects related to the journey. If desired, sensitivity and perception exercises are given, so you can train and trust your own intuitions and awareness.
